DETAILED ACTION

Applicant's amendments filed July 26, 2007 have been entered. After the amendments, claims 45-63 are pending.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Warren Woessner on September 14, 2007.

The application has been amended as follows:

1. In Claim 61, line 1, please add "treatable by fluticasone" after "A method of treating a skin condition".
2. In Claim 62, line 1, please replace "claim 59" with "claim 61".

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the applicant's arguments filed July 26, 2007 with regard to the potency of the herein claimed lotion being greater than that of the formulation including white paraffin or mineral oil have been considered, and are found persuasive to withdraw the outstanding rejection under 35 USC 103(a). In particular, it is unexpected for the herein claimed

lotion to have a superior potency (vasoconstriction) when occlusive agent is not employed. The superior potency is demonstrated in the Tables 1 and 2 for comparing the potency among different steroidal products.

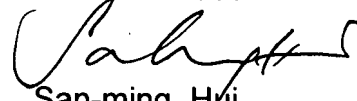

Therefore, claims 45-63 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
